

Children's Village Rededication Campaign

The Weicholz Family Campus of the David Posnack Jewish Children's Village

is home to our Emergency Shelter and six Group Homes and has provided love and safety to 1,600 children for 20 years. Our goal is to keep the Children's Village looking as beautiful as it did on the day we opened in 2002 in order to provide the best possible childhood experience for our children who come here to heal from the trauma of abuse, neglect and abandonment. You can imagine the loving wear and tear the Village has had over the years. JAFCO has provided love and safety to 5-6 children living in each Group Home full time and up to 16 children at a time in the Shelter — for over two decades!

JAFCO Children's Village Rededication Campaign

is underway, making improvements and updates to our Children's Village! We have new roofs and hurricane-impact windows. Next is exterior painting and then new floors, kitchens and baths on the inside for the children. Once the renovations have been completed, 100% of any remaining funds will be invested in an emergency reserve fund for the future.

We need your help funding this project and hope you will consider a rededication gift or pledge in your family name or perhaps in honor of your children or grandchildren or someone you love or may have lost. We have opportunities starting at \$36,000 with flexible payment terms and for those of you who have

already included JAFCO in your estate plan, a naming opportunity could be partially secured with an irrevocable estate gift. As a donor to the **JAFCO Children's Village Rededication Campaign**, your name will forever become a permanent part of the JAFCO Wall of Honor. JAFCO has created a sacred safe space where every child in our community has a place to belong.

Please see the meaningful Rededication Opportunities on the next page.
